HOLIDAY GIFT BOX: PERSONAL ITEMS

Each family will receive a holiday box with everyday essentials, that most of us take for granted. This was very popular last year. If you want to shop, there is a list of items on the Mission Table and place the items in the appropriate box in the hall. If you would prefer, you can again make out a check to VUMC and memo it "Personal Items." We will shop for them and deliver them to SCCS. We will be delivering the items, December 1.

As you can see, we are hoping that you find an option that fits your budget and life style and is meaningful for you. Thank you for your generosity!
