

## Outside/In-person Worship!

Sunday, 9:30 a.m.

Vicksburg High School parking lot  
(east-side by the lacrosse field)

- We will have people on-hand to help coordinate the parking. We will have an FM transmitter set-up so that you are able to listen on your car/truck radio. Tune your radio to 101.1.
- If you absolutely must get out of your car/truck to greet someone — please, please, please wear a mask and maintain social distance! No exceptions.
- There will be NO toilet facilities available, so hold-off on that second cup of coffee or tea. The worship service will be approximately one-half hour.
- Pray for good weather! This is a new experience, so we will all have to support each other through any awkwardness by approaching it with love, humor, and fun. Thank you for your patience.

See you on there!
