GENERAL INFORMATION:

Our preschool follows the Vicksburg Community Schools calendar for all holiday breaks and snow days. Classes will be canceled in the event of a delayed start due to fog/weather as well.

**In early August you will receive a Parent Information Packet that will include information and forms you will need for the upcoming school year. An informational meeting for all parents will be held at the end of August.

2 AND 3-DAY CLASS INFORMATION:

Our preschool offers a developmental program encouraging growth in academic, social and emotional skills. Our 2 and 3-day classes at Heart & Hands are part of our co-op preschool, which means parents assist the teacher each school day. The help and support of our preschool parents is very important to the success of our programs. **All parents sign up to work in the classroom an average of two times per month. Parents also attend field trips and provide either snacks or drinks on their co-op days.** A co-op preschool allows you to be closely involved with your child's education and also to meet and get to know other children and parents in the program.

We know the co-op option doesn't work for everyone so Heart & Hands has a NON co-op option available for parents who are not able to help regularly. However, **SPACE IS LIMITED** for the non co-op option. (See price differences.)

5-DAY CLASS INFORMATION:

Our 5-DAY class is not a co-op. The teacher and assistant maintain the classroom and provide all of the instruction. Parents are always welcome to participate in the classroom as much as they are able but it is not required. Parents attend field trips several times throughout the year.
